Fall Greetings Fiber Friends,

The leaves are falling, the wind is blowing and our fingers are happily filled with fibers. Many of you myself included are working on handmade gifts. Its so satisfying to make gifts that are useful and beautiful with colors you love to look at and materials that feel soft and warm. It's about the whole experience. I notice that when someone in the room is knitting or crocheting the others are calmer as though the rhythm of one person's hands assigns a little order to the world. Do you think there's any hope for a "World Leader's" knitting group? Well on to shop news.

There are lots of free patterns this month so don't forget to scroll down.

Here's a list of some of the newest arrivals.

Here are a few useful gift patterns that don't take a lot of time or yarn and are fun to crank out. These are reprints from previous Newsletters.

“Grammie's Slippers”

Like many of you the Christmases of my childhood brought new slippers every year. Since they were usually made of acrylic, I would love them to a state of holiness before I grew out of them. The best part when you're a child is how slippery they are on a tile or wood floor. I would never suggest that any of you grown-ups go running half way up the hall and sliding the rest of the way. Here is a version that is similar to the ones I remember my Grammie making for me. She always knew my favorite colors.

Materials: 200 yds for the largest size or less for smaller feet of worsted yarn
Size 8 needles
Tapestry needle

Sizes – Baby, Child, Adult (sizes are adjusted by foot length). This pattern is easily adjusted because of its simple rectangular structure.

Gauge – 4.5 stitches per inch

Cast on: 21(31, 41)
Row 1 – knit 6(10,12), purl 1, knit 7 (9,15), purl 1, knit 6(10,12) .
Row 2 knit
Repeat rows 1 & 2 until piece measures inches from heel to beginning of ball of foot.

-Toe is worked in knit 1, purl 1 rib until entire piece measures foot length.

-Do not bind off.

-Cut varn leaving long enough tail to thread through a tapestry needle and draw

through all stitches at least twice and pull tight then fold slippers in half with right sides together and use remaining yarn to sew top of foot together and weave in ends.
- Heel is also stitched together with right sides together and remaining ends woven in.

-You can embellish with one or two pompoms and we carry a product from Regia called ABS Latex that you can apply to the bottoms if you're not into sliding through the kitchen or down the hall.

Quick and Easy Gift Slippers

Materials: 1 100gram skein of Saphira a chunky superwash merino from SWTC. Larger than Women's size 9 and you'll need some of another Skein. This amazing yarn sells for \$9.95.
You'll also need size 7 needles, size 10 1/2 dpns, and a yarn needle for weaving in the ends.
Gauge: 3.5 st per inch on 10 1/2 needles in st st.
Sizes: Child, women, men.

Heel: With size 7 needles co 32, (36, 40) sts. Knit back and forth for 3", (4", 4 1/2"), after last row do not turn. Using dpns, join into the round by knitting 8, (9, 10) sts onto needle 1, k 16, (18, 20) sts onto needle 2, k 8, (9, 10) sts onto needle 3.

Toe: Knitting every round work even until slipper measures 2" shorter than desired length.
Begin decrease rounds:

Round 1: Needle 1 – k to 2 sts before end k2tog, needle 2 – ssk, k to 2 sts from end, k2tog, needle 3 – ssk, k to the end.

Round 2: knit

Repeat these 2 rounds until 8, (12, 16) sts remain. End by knitting sts from needle 1 onto needle 3, you should have 4, 6, or 8 sts on each needle. Work kitchener stitch to close toe or thread tail through remaining stitches and pull tight. To finish, fold co edge in half and seam for heel. You can find directions for the kitchener stitch in most sock patterns and on the wonderful World Wide Web.

Penelope's Baby Legs *designed by Gustine*

Materials: 1 50-gram Ball Frog Tree Merino or any soft worsted weight, size 7 DPNs.

CO 48 sts on 3 dpns and join in the round. K2, P2 for 6". Work 1 round K2, p2TOG, then work k2, p1 for 2". Bind off loosely. Make two!

Baby Alpaca Grande Stocking Cap

Materials: 1 Hank Baby Alpaca Grande (110yards), Size 10 or 10.5 16” circulars and dpns to match and one marker.

Gauge: 3 st to the inch in k1, p1 rib slightly stretched. This basic formula makes a hat that fits a 20” to 22” head because it’s stretchy.

Co 66 sts on the 16” circular, place marker and join in the round. Work in k1, p1, rib, moving the marker as you come to it, for 6” for a skull cap and 8” for a fold up stocking cap.

Decreases: (Work in pattern for 9 st, k2tog) repeat around. Work 1 round even. (Knit the knits and purl the purls for 8 st, k2tog) repeat around. Work 1 round even. (Knit the knits and purl the purls for 7 st, k2tog) repeat around. Work 1 round even.

Continue to decrease in this manner until you have 18 st. Work 1 round even. K2tog around. To finish, break yarn with enough yarn to draw through all the remaining sts and weave at least 3” of yarn around the top of your hat.

A Mocha Cozy

Knit yourself or your friends a signature Mocha or Latte` Cozy that is reusable and helps identify your special beverage. It only takes a few yards of material and is a great use of leftovers from bigger projects. Worsted or thicker yarn works best for insulation. This pattern uses Karaoke from South West Trading Co. and uses a little less than a third of a ball or 33 meters.

Needle size 7 or size to obtain gauge. (I had to use size 6, I knit loose) Gauge: 4.5 st = 1” in st st. CO 40 st on 3 DPNs, place marker and join into round being careful not to twist your stitches.

Tiny Twist Cable Rib Pattern used through out:

Rounds 1, 2, & 4 – (k2, p2) around slip marker before starting each round.

Round 3 =(k into the back of the 2nd st on the left needle, do not remove it, k into the front of the 1st stitch on the left needle, remove both sts, p2) repeat around.

Repeat these 4 rounds 7 times or until your cozy is the length you like and bind off loosely.

If you want to use a thicker yarn find your gauge and cast on enough stitches to equal 9” circumference making sure that the number of stitches is divisible by 4.

Many thanks to all of you loyal fiber fans for your continued support, have a wonderful Thanksgiving, Babetta, Maya, Gustine and our Families
