Fasten off and weave in tail. Linen makes an amazing face or dishcloth and this new 50 gram hank is a perfect size to knit or crochet one. If your kitchen has stainless steel or granite surfaces you won't believe how a linen cloth can make it shine.

Crochet Tip: When working the first row of a piece, if you go into the back ridge of the chain you get an edge stitch that matches the ending row and is easier to go when making an edge stitch.
