“Grand Opening April 30th”

Dear Fiber Friends,

Yes we're finally ready for our "GRAND OPENING". Join us for the celebration. To show our thanks for your support we will be offering a special "Day Free of Sales Tax". On April 30, 2005 we will pay the sales tax on all your purchases.

We will have knitted models from Design Source by Judith of the Manos collection on display.

Babetta's carries a large selection of colors in their wool and cotton as well as Design Source patterns including Minnowknits by Jil Eaton.

We will be serving snacks and refreshments all day and Maya and I will be here to help you with any knitting or crochet challenges you might have. Let us help you start that summer project. How about a bikini made with Cascade's Fixation and a lacy cover-up made from Southwest Trading Co. Bamboo or Soysilk. We have a large selection of cotton, silk, and linen combination yarns for those stylish new summer top patterns. Shawls made on big needles are a lovely lacy step up from scarves and really dress up any summer evening outfit.

We've had some great success stories from our students. If our class times don't fit into your schedule, we also have private lessons available.
