## Greetings Fiber Friends,

[www.babettasyarnandgifts.com](http://www.babettasyarnandgifts.com)

Wow! It's September already. How did that happen? As we embrace the hot days that the State Fair always seems to bring, fall and shorter amounts of daylight are on the horizon. That mood of having something to do with your needles and hooks should be amping up now. We're ready for you. All that yarn we ordered back in May is starting to roll in the door daily on Adam's (our great hard-working UPS guy) trusty dolly. Did we really order all this stuff? Berroco's Fall line is here along with some wonderful new things from Debbie Bliss, Noro and Elsbeth Lavold. We have Pure Wool, Kid Silk Haze and Night from Rowan. Beautiful Prism Lace and Sock Yarn along with Felt Me are here. Hand painted sock yarns from Farmhouse Yarns, Araucania, and Rio de la Plata are right up front. We also have Llama Silk from Plymouth as well as "Paints" in all the Baby Alpaca weights, Encore Chunky and Encore Boucle. From Trendsetter we received 12 colors of Cashwool Lace, Organic Cotton, Venus, Madison, Journey and new colors of Yosemite. We've got new Buttons and Shawl Pins too. There are also more new patterns and books to come and check out than I can list here.

**END of SUMMER CLEARANCE ! 20% to 40% off selected items.** These bargains are throughout the shop. Look for the Bright Pink tags and don't forget to check out the *Babetta's Blue Bargain Shelf*. Sales final on discounted items.

## Free Pattern for September 2007 – Niri Scarf

### Materials: 1 ball Niri by NORO, size 13 needles

Cast on 16 stitches. Knit 2 rows. Repeat the following 2 rows throughout.

Row 1 – k1, yo, k5, (k2tog) twice, k5, yo, k1

Row 2 – Knit. When a few yards remain knit 1 row, bind off. This is an airy scarf and the yarn wet blocks out very nicely. Finished dimensions 5' long, 6" wide. This pattern looks great in all the NORO yarns.

## October is National Breast Cancer Awareness Month

### Tit-Bits Workshop October 6, 2007 from 1pm to 5pm at Babetta's Yarn and Gifts

This workshop is full so registration is closed. Many of you not directly involved with the challenges of breast cancer have expressed your desire to be involved in donating knitted items for those who are. Since the personalized nature of Tit-Bits doesn't lend itself to being a donated item, we would like to suggest donating chemo hats. Here are some links for free patterns. Shoulder shawls, lap blankets and hand knit armbands can be comforting during treatments as well.

*Having a yarn shop has brought us many new friends. We had the great honor to know Jean Yoshizumi because of knitting. Many of you knew Jean through our shop, as she would enter triumphantly with the words "I'm still alive." She had a great down to earth sense of humor. We loved Jean for her kind, honest, lively nature. She always had great stories for everyone. I have yet to meet a knitter as disciplined at knitting a gauge before starting a project as Jean. A habit she learned from the lovely Nancie Wiseman. I personally learned many "wisdoms" about life from Jean. She passed away August 18, 2007. Our thoughts are with her family. Jean we miss you...*
