Mid winter Greetings Fiber friends,

We have come to the end of our 14th year in business and I can't believe we're about to start our 15th. My grandchildren who have grown up in "yarnland" are now old enough to help out Gramma with shop chores. The years seem to pass so quickly. Be sure to scroll down and read about our Anniversary Sale!

Here we go into a new year hoping we can keep things fresh and beautiful to help you make your fiber dreams come true. I've been meeting with all my yarn company reps this month buying things I hope you'll love. There are some amazing new fibers, colors, and patterns on the way.

What's new?

Make a second rectangle exactly the same.

Wet block pieces and sew together approximately 7" for shoulder seam or what is comfortable for your neck opening.

Phoenix Necklace

Materials: 1 ball Trendsetter Phoenix or Phoenix Prints, size 8 16" circulars, 1 stitch marker

1st ring CO 90 sts, pm, join in the round being careful not to twist, k 5 rounds

Next round* k5, BO around to last 5 sts, k10*

2nd ring CO 100 sts using knitted CO or reverse thumb method, join in round again, k 5 rounds, repeat above section between **

3rd ring CO 120, join in round again, k 5 rounds, repeat section between **

4th ring CO 140, join in round again, knit 5 rounds, BO all sts

Blocking is not necessary but I blocked mine by soaking it for 20 minutes and letting it hang to dry. I found that it draped better and looked more finished. This pattern uses every bit of the yarn so if you feel like you're running short knit only 4 rounds in the last ring before binding off
