We will be Closed July 4th

Summer Solstice greetings Fiber Friends,

Well apparently it's summer. 🤪 I guess that spring training we endured is going to come in handy as we stay inside to avoid this heat for a few days. I do hope you are all doing well. Remember to take advantage of the closeness technology affords us by staying in touch with friends and family. Those connections are so important as we continue to be wary of this virus.

My goal is to provide a safe place to shop so you can feel comfortable coming in. That does require practicing some state and county mandates which I feel are a must. Things that work to slow the spread: Social distancing, wearing a face covering (mask or shield), and hand washing and sanitation. Other shopping practices I'd like to mention are limiting your time in shops not coming in large groups. Unfortunately with the uptick in infections we need to keep up the good work and mindful practices we have become accustomed to over the last few months. Babetta's does have curbside pickup and shipping readily available for those of you in need of projects but not able to come in. After all yarn is essential to our well being.

A note about the "Golden State Yarn Crawl"

Apologies for not making a formal announcement sooner but it took a while for our group of 20 shops to decide what to do. Most of us have made the solemn decision to postpone the crawl until 2021 when hopefully it will be a better climate for driving around in cars from town to town on yarn adventures. A couple of shops will be putting together something in August but I don't have any details for you currently.

Classes for July 2020

We are very happy to announce the return of group knitting classes. As with many parts of our lives right now our group classes have had to be modified. We have a special sanitized area set up for small groups of no more than 4 and we have changed the length of each session to add to creating a comfortable yet safe way to return to enjoying each other's company and receiving Maya's expert teaching.

In our project classes you can learn to knit anything from scarves to socks to felted purses to lace shawls to hats to sweaters. Pick your project and join in the fun. Our knitters inspire each other to try new things by sharing ideas and showing off their latest creation. Sign up for one of our classes and you will receive a coupon for 10% off. Our knitting teacher Maya Gardner has been teaching at Babetta's for 15 years
