Phase 2 greetings Fiber Friends,

We are open again with all the Sacramento county modifications in place.

I hope this letter finds you well. Thank you so much for the support over the last 2 months by those of you who participated in alternative shopping at Babetta's and by purchasing Gift Certificates for the future. Without your support there might not have been a future.

As we are all experiencing "quarantine fatigue" I just want to say congratulations. We hit pause on our spring and those sacrifices are paying off. As we all make our way through our own completely unique experience some things have a commonality. Our relationships have become more socially intimate and measured. Stepping back from some of the routines of the day-to-day has made way for innovation, new pathways, crafty creations, and a desire to appreciate life on a more immediate level.

Now it's time to evolve by transitioning from total "stay at home" habits to staying safe in the future ones. I am cautiously celebrating opening to in-store shopping. Anticipating how we do this has consumed me. My goal is to keep it safe and comfortable for the majority of shoppers and to comply with regulations. We have posted the Sacramento County COVID-19 guidelines for retail plus some of our own.

- * If you are sick stay home especially if you have a fever.
- * Face covering required to shop at Babetta's with exceptions for health issues and young children. Masks available for \$2 each.
- * No public restroom.
- * Please practice physical distancing.
- * A limit of 10 shoppers inside. No field trips and car loads full please.
- * No group meet ups or sit and stitch groups

- * No outside food or drinks.
- * Hand sanitizer readily available

Curbside pickup will continue to be available.

Now for some fun
